## OFFICE AND INDUSTRIAL CHAIRS

All offered chairs have approvals for safe use, strength, durability, stability - they meet the highest standards.

The chairs are delivered in a compact, safe and durable package.

Importantly, PROF INDUSTRIAL is a Polish brand and all chairs are manufactured in Poland.

**PROF**  
INDUSTRIAL

# We produce solutions FOR PRODUCTION AUTOMATION

---

SEMA are systems of automatic solutions, directed, among others, for upholstered furniture factories, car upholstery and clothing factories.

Thanks to automation we increase the quality and efficiency of production, while limiting the production space.

# Awards and certificates

- FORBES MAGAZINE DIAMENTS
- JUKI WORLD TOP DISTRIBUTOR
- BUSINESS GAZELLE AWARD
